*Notes*

- Paper, plastic, tin sold to kaabadi; wet waste compostes and used for manure in local fields
- Local, not all organic. Planning on starting organic farm to supply restaurant (land bought)
- All art in hotel is local, and local musicians play every evening play traditional music
- Windmill generates energy for hallway lights. No central air conditioning, instead open concept allows wind to cool. Rooms placed in cooler areas so no need for A/C. Natural lighting used.
- 10 000 trees planted every year in area; all employees come from local area and their families supported
- *Wastewater treated and reused for watering trees; 90% of wood recycled during construction

This information is true and accurate to the best of our knowledge and understanding.
