Villagers are philosophers!
When you run out of water, chew some sugarcane. Steal it from the nearest farm.

Each home in a village, build, looks vastly different from the others.
People in villages, build, looks

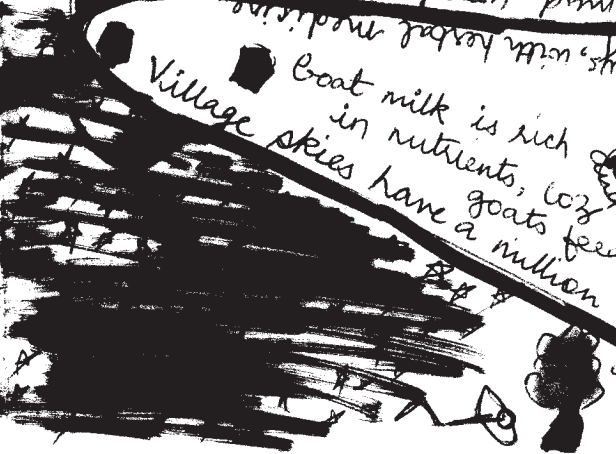

When the brakes fail, find a way to stop. (FALL)
Wounds can heal in ten days, with herbal medicine.

Goat milk is rich in nutrients, coz goats feed on a million more stars than the sky.

Village skies have a million more stars than the sky.

Wonders can be cleaned up without any water.

I had gone for the cyclod yatra.
We had traveled for six days.
I had lots of fun.
